DOCUMENTATION OF VISUAL IMPAIRMENT

University of California Davis • Student Disability Center

In order for the University of California, Davis to provide disability-related services, we need to establish that this student has a disability under California law, which defines a disability as an impairment that limits a major life activity. This form is designed to help us make that determination.

PLEASE PRINT OR TYPE YOUR RESPONSES TO THE FOLLOWING QUESTIONS

Student Name _____ (Last / First / M.I.) Medical Record # _____

UCD Student ID # _____ Birth Date _____

Certifying Professional _____ Specialty/License _____

Address _____ Phone _____

_____ Fax _____
